ABOUT US

Founded: 2022

Aron Coffee has rapidly positioned itself as a premier Ethiopian coffee and tea manufacturer and exporter. Leveraging Ethiopia’s rich heritage of specialty coffee and premium teas, we have established strong international connections across Asia, the Middle East, and Europe. Our focus is on delivering world-class products while fostering long-term partnerships with farmers and distributors.

With a commitment to quality, sustainability, and excellence, Aron Coffee continues to redefine the standards of coffee and tea export from Ethiopia to the global market.

VISION & MISSION

Vision:

To become a globally recognized leader in the coffee and tea industry, known for excellence, innovation, and sustainable growth.
Core Values:
• Quality Excellence: Every product meets rigorous standards.
• Sustainability: Ethical sourcing and environmentally responsible practices.
• Innovation: Constantly improving processes, products, and services.
• Integrity: Building trust through transparency and accountability.
• Customer Focus: Delivering unmatched value to partners and clients.

Mission:

To manufacture and export premium coffee and tea products while upholding the highest standards of quality, sustainability, and ethical practices.

Sustainability:

We are committed to eco-friendly practices and supporting local coffee farmers.

OUR PRODUCTS AND SERVICES

Coffee Products

• Roasted and Ground Coffee: Premium single-origin and blended varieties, carefully roasted for flavor consistency.
• Soluble Coffee (Instant Coffee): Convenient, high-quality instant coffee with a rich aroma and smooth taste.
• Raw Coffee Export: Unprocessed coffee beans, meticulously sorted and packaged to preserve origin integrity.

Tea Products

• A wide range of Ethiopian teas

Services

• B2B supply solutions tailored to wholesalers, retailers, and specialty cafes.
• Logistics support for seamless export operations.

Global Export Capabilities

Aron Coffee operates with a robust international trade infrastructure. Our export services span Asia, the Middle East, and Europe, offering:

- Compliance with international trade regulations and certifications.
- Streamlined logistics and supply chain management.
- Dedicated export support for B2B partners.
- Strong relationships with distributors, importers, and global coffee networks.

Certifications & Compliance:

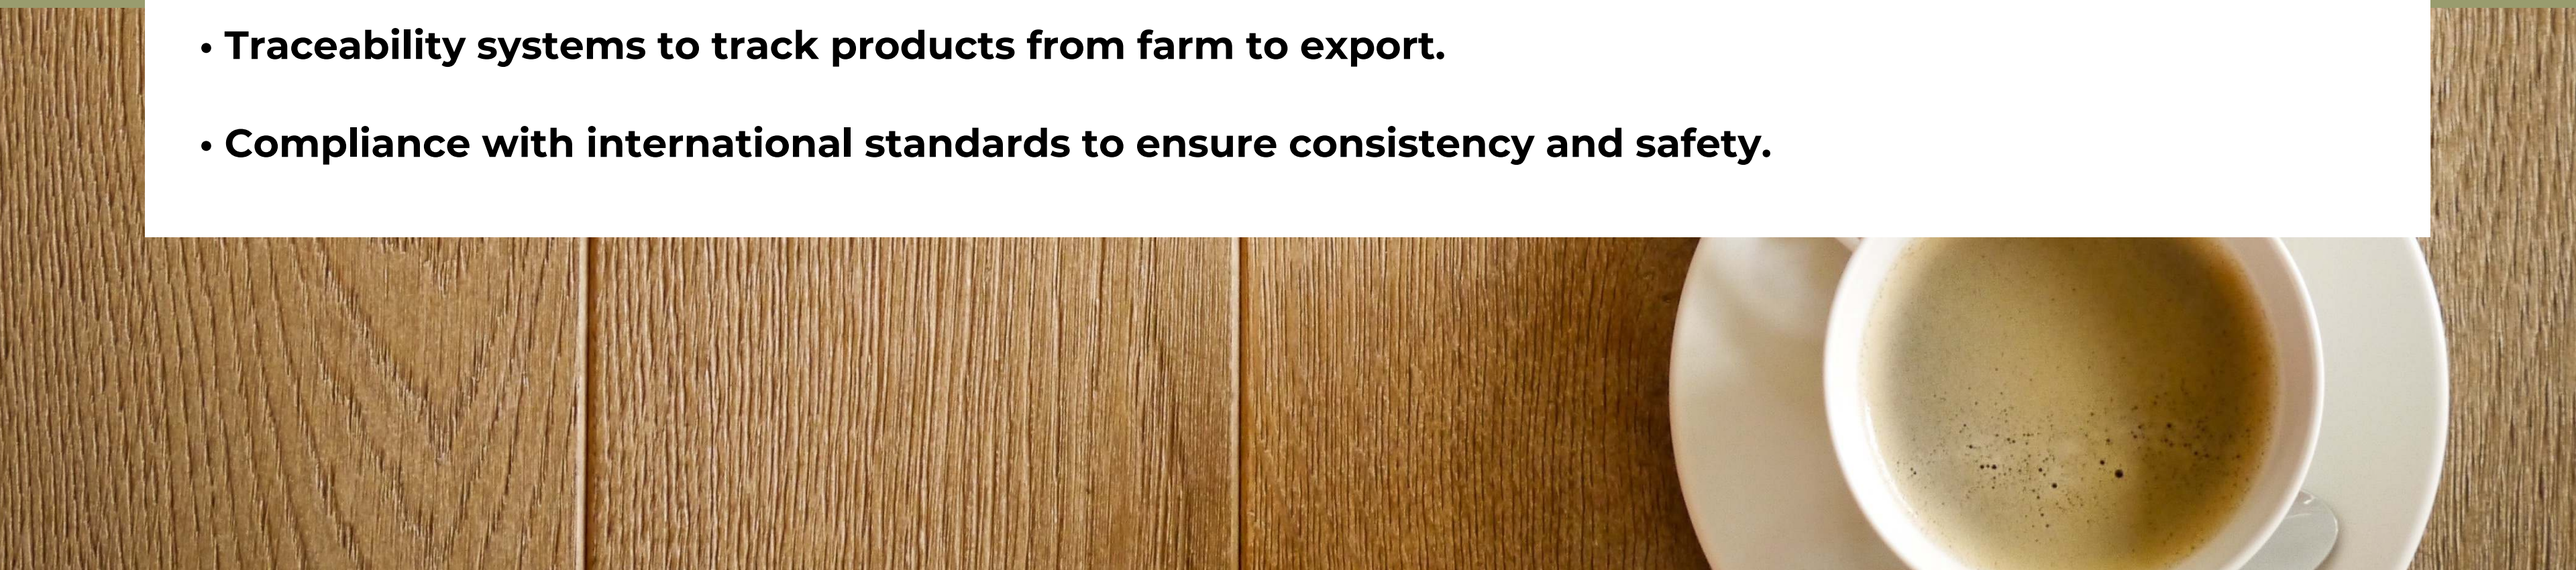

- ISO-certified quality management systems
- HACCP-compliant food safety protocols
- Organic and Fair-Trade certifications in progress

QUALITY ASSURANCE

Quality Assurance

At Aron Coffee, quality is non-negotiable. Our approach includes:

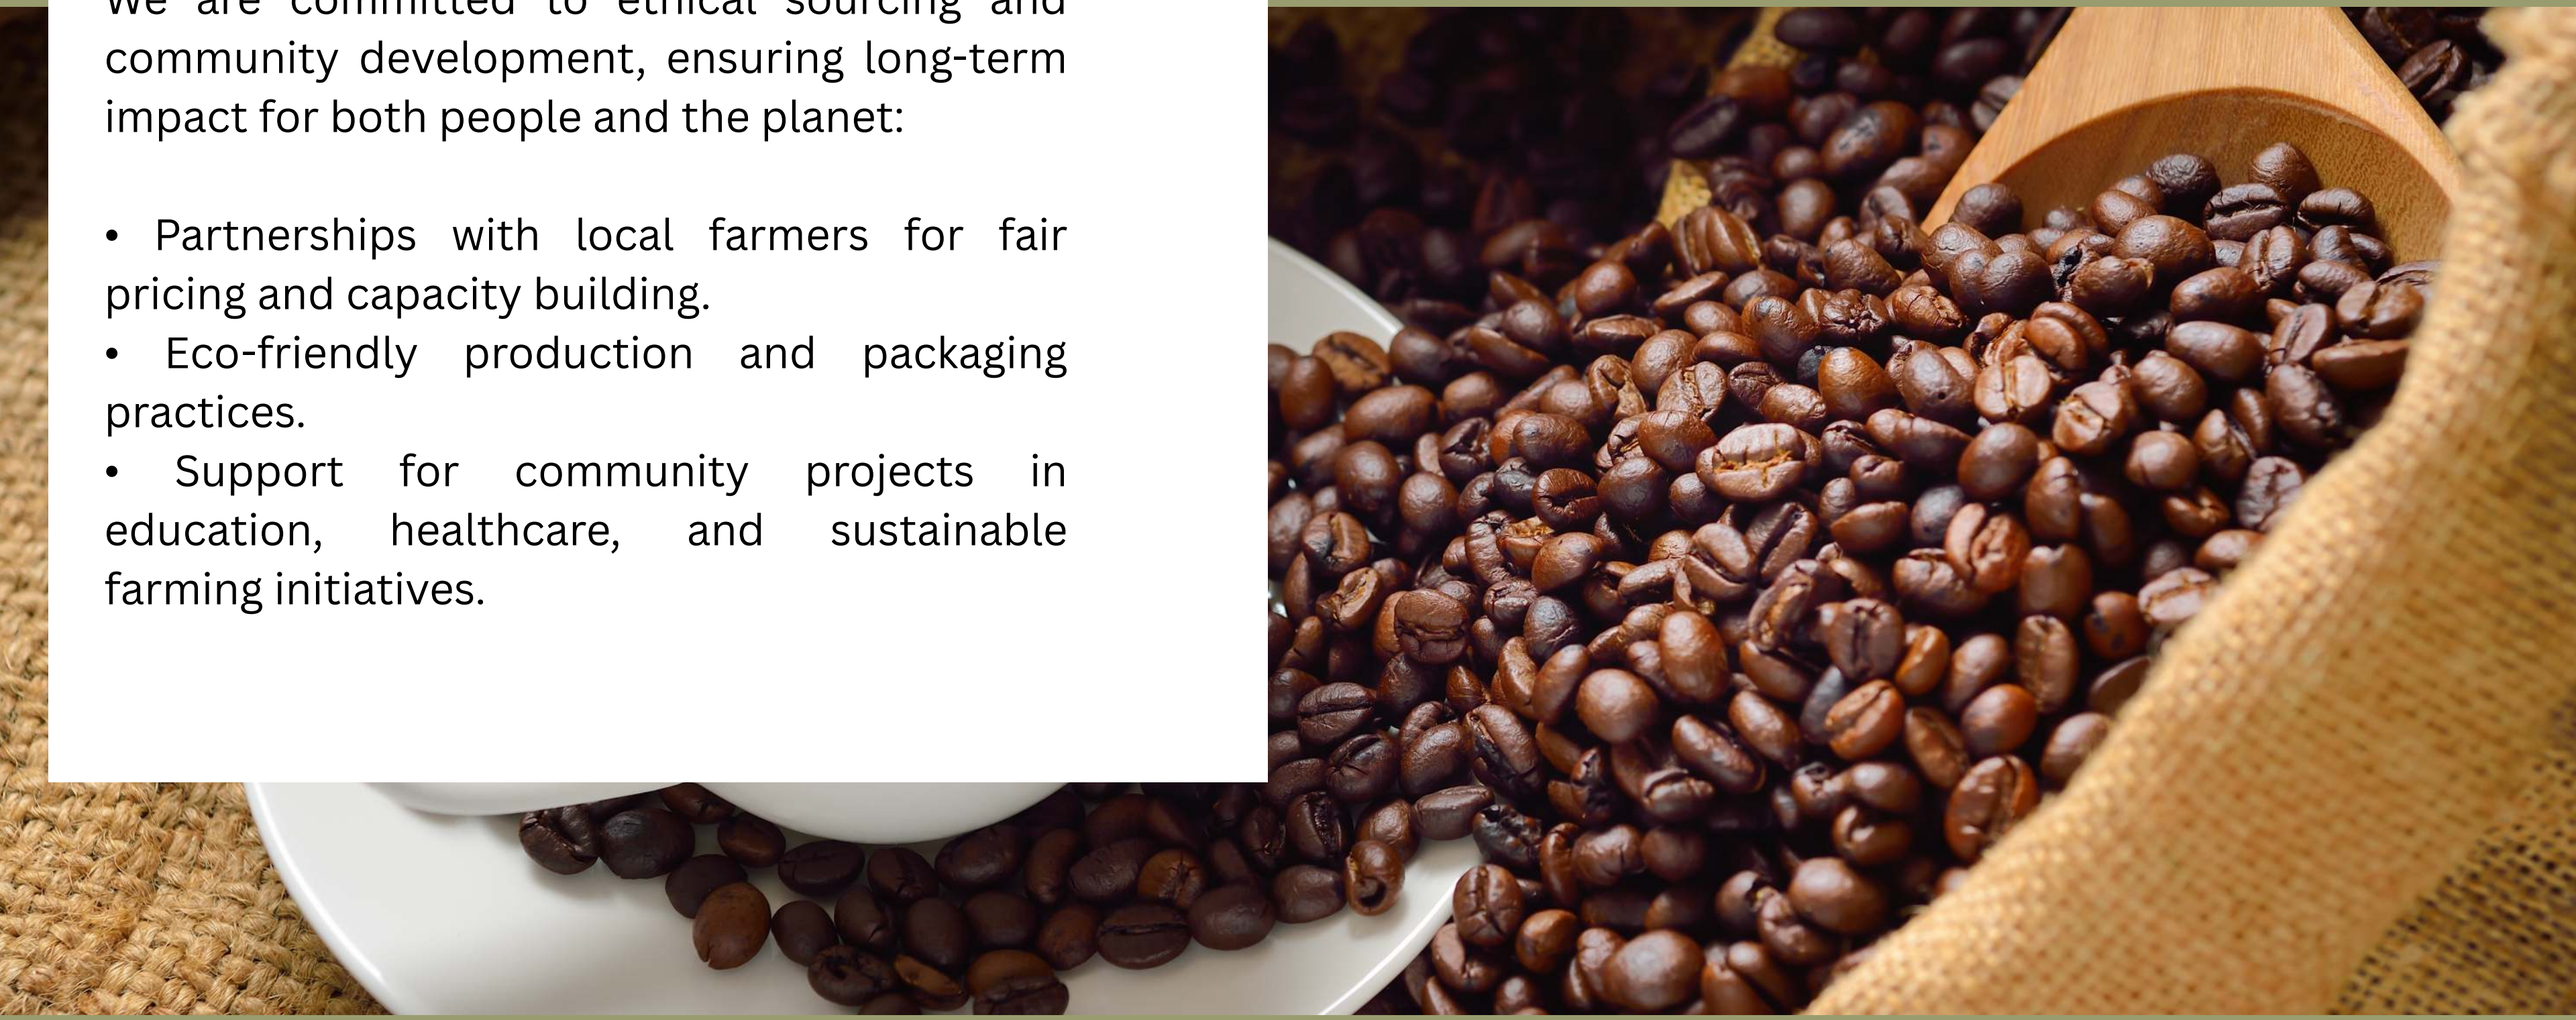

- **Advanced quality management systems for production and processing.**
- **Rigorous testing protocols for taste, aroma, and safety.**
- **Traceability systems to track products from farm to export.**
- **Compliance with international standards to ensure consistency and safety.**

Sustainability & Corporate Responsibility

We are committed to ethical sourcing and community development, ensuring long-term impact for both people and the planet:

- Partnerships with local farmers for fair pricing and capacity building.
- Eco-friendly production and packaging practices.
- Support for community projects in education, healthcare, and sustainable farming initiatives.

LEADERSHIP/ FOUNDER

Mr. Getnet Shimekt Biratu is the Founder and Chief Executive Officer of Aron Coffee, established on November 17, 2022. He is a visionary entrepreneur dedicated to advancing Ethiopian coffee and tea in the global market. Driven by Ethiopia's rich coffee heritage, he founded Aron Coffee with a focus on quality and integrity. Under his leadership, the company has built strong export connections across Asia, the Middle East, and Europe. Mr. Getnet emphasizes international standards in production and export operations. He is committed to ethical sourcing and sustainable supply chain development. His leadership prioritizes long-term partnerships with farmers and global clients.

Innovation and operational excellence are central to his management approach. He actively promotes transparency and accountability in all business practices. Mr. Getnet plays a key role in market expansion and strategic growth initiatives. His vision is to position Aron Coffee as a globally recognized industry leader. He continues to guide the company with discipline, purpose, and excellence.
